Dear The Federal Communications Commission,

Congratulations on your appointment to Chair the FCC. In your new leadership role, I urge you to support the "Fair Share Plan" as a solution to current concerns with the Universal Service Fund (USF). The Fair Share Plan will keep the USF fair, ensuring that consumers like me do not pay the same rate into the USF as big businesses, regardless of how little I may use long distance.

I am a senior citizen and widow and had to give up the long distance service at home due to all the added charges--I limit my calls which deprives me of keeping in contact more often with relatives and friends. Having the flat fee for all plan you are considering, is unfair.

I urge you to keep the USF fair, and adopt the Fair Share Plan. Please take persons like me into consideration. Thank you.  
Sincerely, Mary B. Arseneault 44 Blanche Ave.
